

Sundown Adventureland Fun Pass Terms and Conditions 2023

A Fun Pass will only be valid when it is used and/or presented by the named holder, it displays a photograph which must be a true likeness of the holder and it is within the validity period. Photocopies of the Fun Pass will not be accepted. Any use or attempted use of a Fun Pass in breach of these terms or Sundown Adventureland regulations will result in the Fun Pass being revoked without compensation.

A Fun Pass entitles the holder admission to the attractions for a period of 12 months from the date of issue (validity period) and is subject to the operating calendar and any application exclusion dates.

The valid until date is printed on the Fun Pass. Please check attractions opening and closing dates/times before you visit.

Fun passes can be used up to and including the 'valid date'.

To use a Fun Pass the authorized holder must show it at the admission kiosk on arrival at the attraction. Entry to the park by use of the Fun Pass will only be permitted if a valid Fun Pass can be presented. Failure to present a valid Fun Pass (due to it being lost, stolen or forgotten) will result in a charge of the 'on the day' admission rate which is non-refundable.

In the event of a lost, stolen and/or damaged Fun Pass Sundown will re-issue a replacement at an administration fee of £5 each.

Please see the calendar for events and opening times etc. as we close at certain points of the season.

You do not need to pre-book a standard visit to us, you can turn up for entry on any open date.

The Fun Pass includes our Easter and Halloween Events.

The Fun Pass **DOES NOT** include a visit to see Father Christmas, you must pre-book your tickets online at a discounted rate:
